

It is with deep regret that we write to inform you of the recent death of Dr Damian Allen on 5th July. As you can imagine, this has been a difficult time for his family, friends and the staff here at the practice but we are all pulling together to support one another.

We want to ensure that all of his patients, both new and old, continue to receive the same standard of support and care during this period – bearing in mind the restrictions that Covid-19 has imposed.

The surgery is reopening on an incremental basis, and we are pleased to say we will be welcoming our first patients back Monday 1st August.

We will be in touch with you again to book your routine appointments but if you have any queries, please contact the surgery on 01706 215627.

Yours sincerely

All the team at D B Allen Dental Surgery
